

Ross Shafer uses a VIDEO INTRO. Please have your Emcee or Introducer announce to the audience,

“Our Keynote speaker today has navigated a peculiar combination of careers. As a teenager, Ross Shafer, flipped cars, motorcycles, and houses. After college, he bought and sold 23 companies; which led him to write 10 popular business books. However, Ross has also had a variety of unusual SIDE JOBS. Take a look.”

NOTE: Ross will then launch this video from his laptop:

He does NOT need an Internet connection for this to work. The Digital file lives on his laptop.
